2021 KNIGHTS BRIDGE SAUVIGNON BLANC FAIRVIEW

VINEYARD COLLECTION

Our Vineyard Collection wines highlight unique characteristics from specific blocks. These place- and terroir-driven wines reflect a pure expression of our estate vineyard in Knights Valley and winemaker Douglas Danielak's guiding hand to bring out their highest qualities. Each block name is grounded in family history and our rural roots to reflect and honor our values. An exceptional and dedicated teacher, Ethel Linville Bailey's first teaching post was in the same rural, one-room schoolhouse in Fairview, TN where she attended primary grades. This role set her on a life-long journey as a passionate educational leader.

WINEMAKING

We night harvest by hand to preserve complex aromas and flavors and for better control over the fermentation process. The grapes are then sorted and lightly pressed; the juice is settled completely before beginning a slow fermentation at cool temperatures. Due to the richness of the 2021 fruit, we used 40% new French oak to complement the rounded, voluptuous texture, yet the oak remains elegant and barely perceptible. The balance of the blend was fermented in stainless steel, contributing bright freshness and clarity of flavors.

TASTING NOTES

Produced from a single parcel, Block 6B, the Fairview's striking personality shows how Sauvignon Blanc can reach new levels of sophistication. At once powerful and elegant, this compelling wine is punctuated by mineral, saline and racy aromas.
